ORDER

On September 14, 1998, an informal conference was held at the Commission's offices for the purpose of discussing matters at issue in this complaint. At the conclusion of the informal conference, Donna Justice ("Complainant") agreed to inform Maysville's city commission of the results of the discussion. Specifically, that Kentucky Utilities Company ("KU"), in accordance with state law, agrees to relocate utility poles within the city's right-of-way for the purpose of widening of Sixth Street in the event that such action is requested by the City of Maysville.

Based on the agreement reached at the informal conference and otherwise being sufficiently advised, the Commission HEREBY ORDERS that:

1. The complaint is now held in abeyance pending a request by the City of Maysville that KU relocate poles in the city's right-of-way at Sixth Street.

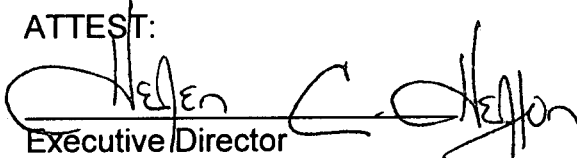

2. The parties to this complaint shall inform the Commission of any action taken to resolve the matters contained in the complaint by submitting a status report within 30 days of the date of this Order and every 30 days thereafter until the complaint is resolved.

Done at Frankfort, Kentucky, this 29th day of September, 1998.
